

## Designer Memorials

1. JDM1 - A design that reflects tradition and one that will conform to any height required.
2. JDM2 - Four pointed finish centre piece separates the surname from the inscription.
3. JDM3 - Norwegian emerald pearl granite displaying why it is one of the premium granites in the world.
4. JDM4 - A candilli box can be incorporated in the design of most memorials.

## Designer Memorials

These Memorials are designed for Cemeteries Where taller memorials are allowed. The Experience & modern technology available in our Company will allow us to manufacture Creative & complex designs. No design is too complicated.

1. JDM5 - A pleasing shape that reflects the height of the memorial. Granite vases will enhance many designer memorials.
2. JDM6 - A natural shape compliments the texture of this spectacular Australian granite.
3. JDM7 - A classic and timeless design is reproduced in stunning Norwegian blue pearl granite.
