

SUGGESTED VERSES

Constantly loved, ever remembered
Ever in our thoughts
Resting where no shadows fall
Safe in the arms of Jesus
Rest in Peace
Requiescat in Pace
Life and love know no end
Always remembered
Remembered with love
In God's care
Treasured memories of a dear.....
At rest
Mum and Dad reunited
A patient sufferer at rest
Forever in our hearts
Sweet is the sleep that ends all pain
Peace after suffering
With God, which is far better
Peace at last
To know him was to love him
May his/her dear soul rest in peace
Till we meet again
Love does not end
Cherished memories
Sleep peacefully
So mote it be (Masonic)
Lest we forget (R.S.L.)
We will never forget you
Will be sadly missed
Goodbye my darling
Thanks for the memories
One of nature's true gentlemen
So dearly loved, so sadly missed
In heavenly love abiding
Close in our hearts you will always stay,
Loved and remembered every day
We have so many happy memories
You will be forever in our hearts
A special person, a special face,
A special someone we cannot replace

Your memory is the greatest treasure
To have and to hold in my heart forever
Death is the golden key
That opens the place of eternity
God will link the broken chain
Closer when we meet again
To live in the hearts of those we love
Is not to die
In God's care he/she/you rests above
In our hearts he/she/you rests with love
Words are few, thoughts are deep
Memories of you we will always keep
(or Memories of you are ours to keep)
God has you in His keeping
We have you in our hearts
He/she was always unselfish, helpful and kind
What beautiful memories he/she left behind
Weep not that he/she has gone
But smile that he/she has been
To the world you were but one
To us you were our world
This day will be remembered
And quietly kept
No words are needed
We will never forget
A tender thought that brings a tear
A silent wish that you were here
No longer in our lives to share
But in our hearts you'll always be there
Your memory we will always treasure
In our hearts you will stay forever
We really can't find the words to say
Just how sad we feel today
Now at peace with the Lord forever
Silent thoughts of time together
Hold memories that will last forever
Sweet is the sleep that ended the pain
We would not wake you to suffer again
In our hearts you will always stay
Loved and remembered every day

Blessed are the pure in heart
For they shall see God
Help and encouragement
Deep in our hearts
Memories are kept
Of a we will never forget
We know you walk beside us
And when our lives are through
We pray to God to take us
And lead us straight to you
My heart aches with sadness
My secret tears flow
For what it means to lose you
No one will ever know
Our thoughts are always with you
Your place no one will fill
In life we loved you dearly
In death we love you still
To hear your voice, to see you smile
To sit and talk to you awhile
To be together in the same old way
Would be our greatest wish today
If I could have a lifetime wish
A wish that would come true
I would want to wish with all my heart
For yesterday and you
....., you never failed to do your best
Your heart was true and tender
You simply lived for those you loved
And those you loved remember
It's not what we write
It's not what we say
It's how we remember you
In our own special way
We didn't see you close your eyes
We didn't say goodbye
We were only told that you were gone
Without a last goodbye

A chapter completed
A page is turned
A life well lived
A rest well earned Death will not part us
Or distance divide
Forever and always you will be by my side
A golden heart stopped beating
Two hands were laid to rest
God broke our hearts to prove
He only takes the best
I cannot stop the hands of time
Nor live again the past
But I shall love and think of you
As long as time shall last
Suddenly you were taken
We could not say goodbye
We now have only memories
That we know will never die
You had a smile for everyone
You had a heart of gold
You left behind the memories
That we will always hold
Tired and weary you made no fuss
You tried so hard to stay with us
You suffered so much and told so few
You never deserved what you went through
May the winds of love blow softly
And whisper for you to hear
That we will love and remember you
And forever keep you near
The things we feel so deeply
Are the hardest things to say
You will always be remembered
In a very special way
Thank you for the years we shared
The love you give, the way you cared
In our hearts you will always stay
Loved and remembered every day
God saw that you were weary
He did what He thought best
And gently held you in His arms
And said come with me and rest

Out of this world of suffering
Into God's garden of rest
It must be a beautiful garden
For he only takes the best
Thanks for a lifetime of memories
For your love and kindness
Though his/her smile has gone forever
And his/her hands we cannot touch
We shall never lose the memory
Of the we loved so much
When nights are long
And friends are few
I know I'll sit and think of you
How our hearts ache and we whisper low
God bless you we miss you so
A is a special gift
And one you think will stay
You never dream the day will come
When he/she will go away
For those who have a
Cherish him/her while you may
Because I would give the world
To have my here today
With tears we saw you suffer
We watched you fade away
Our hearts were slowly breaking
As you fought so hard to stay
You did not want to leave us
But you did not go alone
For part of us went with you
The day God called you home
His/her pleasures were simple
His/her needs were few
If his/her family was happy
He/she was too
He/she gave us love in the fullest measure
Care, devotion and memories to treasure
He/she shared our dreams, hopes and tears
Thank you for those precious years

Dear father in Heaven please hear my prayer
Tend my with loving care
There are many in the world I know
But he/she was mine and I loved him/her so
So treasure him/her Lord in your garden of rest
For here on Earth he/she was one of the best
We knew the times was coming
When we would have to say goodbye
Our hearts are filled with sadness
But memories will never die
Rest peacefully
In some place green, some place nice,
Some place that you call Paradise
..... You shared my life and troubles
The laughter and the tears
You gave me loving friendship
Through all the loving years
Out of all the many blessings
Received along life's way
There was no gift more treasured
Than you and our yesterdays
